Subject: Today, we remember ...

Catholic Relief Services was founded in 1943 in response to the refugee crisis caused by World War II. Today, we provide humanitarian relief in more than 100 countries around the world, helping families who have fled their homes in search of safety.

Give a gift in honor of World Refugee Day and help a family find safety and shelter.

Dear Larissa,

Since 1943, people like you have been helping refugee families through the work of Catholic Relief Services. Beginning with people from Europe during World War II, CRS has continued to respond to the needs of refugees from Myanmar, Venezuela, South Sudan, Iraq and now Ukraine.

Honor refugees with a gift today!

Refugee families like those from Ukraine have found hope and safety with your help—and the help of donors like you who have been responding to emergencies like this since Catholic Relief Services began in 1943.

So today we remember women, men and children who have both suffered and triumphed through these great tragedies.

Will you honor the resilience of refugees today and give a gift to a family looking for safety and home?
