Subject: (HTML VERSION): Families in the Holy Land are in crisis—we need your help today

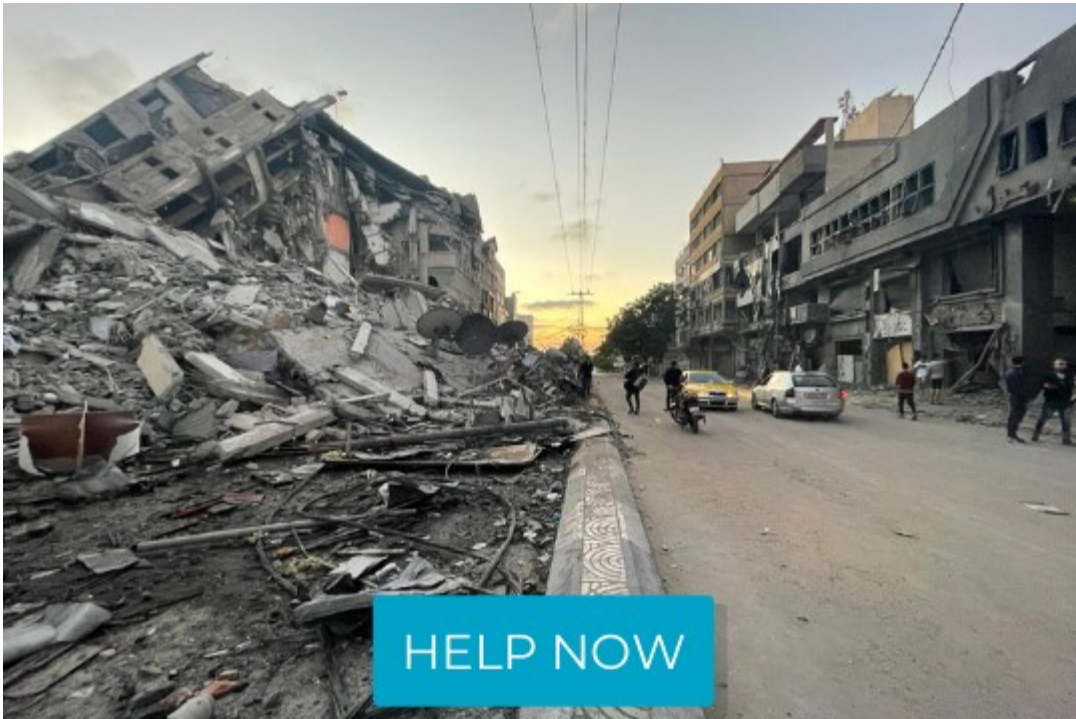

Dear Benjamin,

I'm sure you've seen the news and are concerned for all those impacted by the escalating conflict in the Holy Land. I wanted to share a quick update with you.

On May 10, a year of relative calm in Gaza was suddenly shattered by severe violence. With this crisis ever widening, thousands have been left homeless in one of the most crowded and vulnerable corners of the world—a place where border barriers and checkpoints make it impossible to flee to safety.

Can you help today with a [vital gift for women, children and men?](#)

As I write, emergency relief is underway, including shelter and food assistance. Your help is critical.

Benjamin, your gift can make a lifesaving difference for families in the Holy Land.

Peace and light,
