Subject: Hurricane Dorian Batters the Bahamas—Families Need Your Help!

Dear D Larissa,

Just a few days ago, Hurricane Dorian slammed into the Bahamas and has not stopped battering the island. It's been more than thirty-six hours.

While hurricanes and storms can be forecast and expected in some areas, it doesn't change the fact that they still devastate lives and uproot families—no matter how prepared they might have been.

Even as I write, heavy rains continue, making relief efforts difficult. Communication is limited, but Catholic Relief Services—along with local partners—is working to assess needs as quickly as possible.

And, D Larissa, we still have hope—you.

[Will you help families affected by Hurricane Dorian? Your gift will provide emergency food, water and shelter to people who need it most.](#)
