Subject: (HTML VERSION): Wow! Thank you for giving since 2012, friend.

Thanks to gifts like yours, Nazia's village received emergency relief.
She was just 12 years old when you joined Footsteps in Faith—today she is 22!

Dear Friend,

Wow—you're something special! Ten years of monthly giving. Ten years of helping families ALL around the world.

Ten years ago, you made a choice to give. And you haven't stopped giving. Thank you!

Children who were babies 10 years ago are now running and playing. Those who were schoolchildren are about to step into a new world as adults.

*In the last 10 years, the Philippines has been hit by 37 typhoons. Gifts like yours have helped CRS respond immediately and efficiently. Thank you!

Girls and boys you helped are now grown. Families have received food, health exams and opportunities. Communities received immediate help during an emergency.

Their future has become the present. Imagine your contribution!
It leaves me speechless, but I want to be sure to let you know:

You are seen and appreciated.

What you do makes a difference. You play a big role in work that brings so much change every year. Thank you.

Peace and light,
