Subject: (HTML VERSION): The Gift of Hope Catalog is coming to your mailbox. Here's a preview!

Dear Dorthy,

Soon, you'll be receiving the CRS *Gift of Hope* catalog in the mail.

On the cover, you'll see Aissata Diagahate. She was just 12 years old when she fled from her home near Bankass, Mali, after armed men attacked and burned her village to the ground last spring.

Since then, Aissata and about 100 others from her community have been living in a camp for displaced people in Mopti, Mali, where they've received food, water, shelter and cooking supplies because of supporters like you.

So many families and children like Aissata have been displaced due to violent attacks perpetrated by armed militias and terrorist groups.

And the pandemic continues to threaten vulnerable families—especially those who live in close quarters where it's difficult to physically distance.

But with gifts like yours through the [Gift of Hope catalog](#), Aissata has found safety. Families needing relief find [shelter](#). Mothers with newborns see their babies grow up healthy and strong as they receive regular [health exams](#). Farmers overcome harsh climates with [quality seed](#) and [access to clean water](#). [Hand-washing stations](#) set up at seed fairs and refugee camps help prevent the spread of COVID-19.
