Subject: (HTML VERSION): Explosion in Beirut—Help Needed Now!

 | Emergency Response

Dear Friend,

An explosion in Beirut injured thousands and nearly one hundred people were killed.

Catholic Relief Services and its partner Caritas Lebanon are on the ground, responding with immediate relief.

Will you help? When you give, you provide food, shelter and hygiene kits.

Rush Help Now

Hosting over 1 million Syrian refugees while battling the COVID-19 pandemic, Lebanon is already struggling from economic and healthcare crises.

And now this.

My heart breaks for the families—as I know yours does too. In the midst of your own suffering and changes during this pandemic, you have experienced hardship. And I know you can empathize with what so many families are going through.

We can only imagine what this would feel like. [Would you give to help families affected by the explosion in Beirut?](#)

Thank you for your caring generosity!
