Subject: (HTML VERSION): Juliana, when you give monthly ...

Dear Juliana,

Did you know that with every gift made to Catholic Relief Services, a life is changed? **Imagine how many lives you can change by giving monthly!**

Hundreds like you have joined [Footsteps in Faith](#) over the last few months to help families in desperate need—especially those who have left or lost their homes.

Refugees are vulnerable even when there isn't a pandemic. Now, living so close together and being unable to physically distance, refugee families face even greater risks. Many have fled dangerous civil conflicts and, unable to return home, are stranded—sometimes in areas that are almost as perilous as the ones they left.

When you give monthly, you help families who face the need for clean water, food, health care and shelter every day. They are mothers and fathers just like you who are trying to keep their children—and sometimes even elderly parents—safe throughout the pandemic.

Because of others like you who have joined [Footsteps in Faith](#), CRS can continue to provide families who have left or lost their homes with the critical help they need.

CRS staff in Bangladesh are able to continue providing comprehensive assistance in the Rohingya refugee settlements, adapting our activities there to prevent the spread of COVID-19.

Families at migrant shelters in Brazil, Colombia, Ecuador and Peru can still receive food, shelter and living supplies. In Venezuela, our staff continue to run nutritional programs for children and provide cash grants to families.

And in Iraq, hundreds of displaced families receive key prevention messages and safe water storage to make sure COVID-19 doesn't spread.

Each prayer you pray changes lives. Each gift you give makes a difference to someone. When you join monthly, it only increases the impact you began.

Imagine what all of us together can do when you join today!

Thank you for living your faith each and every day.

Peace and light,

A handwritten signature in black ink that reads "Sean L. Callahan".
