

*Twisted Commercials - McDonalds*  
*By William Cennamo*

*Interior: Burger King, long shot of the front entrance door, after a few beats LADY enters the establishment staring up at the menu. She walks up to the counter where WORKER is waiting for her.*

**WORKER:**

Welcome to Burger King! How may I assist you today?

**LADY:**

Ummm, yeah, may I get a number two with a coke.

**WORKER stifles a small laugh.**

**LADY:**

*(curiously)*

What? What's funny?

**WORKER:**

Oh, nothing, it's just you said you want a NUMBER TWO... you know, like.... Poop.

**LADY:**

*(slightly annoyed)*

Huh, yeah, I guess I did.

**WORKER:**

It's just that number two can also mean when someone goes to the potty and... you know.

**LADY:**

No, yeah, I get it

**WORKER:**

*(whispers loudly)*

...takes a shit.

**LADY:**

Woah, yeah, I got it!

**WORKER:**

...and since you ordered it, it's like you ordered a  
*(whispers again)* shit burger.

**LADY:**

*(clearly more annoyed)*

Okay, can I just get my meal, please.

**WORKER:**

...we don't serve poop here... that's more McDonalds style...  
They serve actual shit burgers, it's been proven by  
science.

**LADY:**

WHAT?

**WORKER:**

Oh yeah! Real scientists have taken McDonalds burgers and  
did lab studies that showed that eighty percent of  
McDonalds meat is literally human feces.

**LADY:**

That, that can't be possible... is there someone else who  
could take my order?

**WORKER:**

*(interrupting)*

OH, IT'S POSSIBLE! I used to work there and I would  
personally shit in the hamburger meat every morning before  
my shift.

**LADY:**

Wait, what!? You shit in the burgers?!

**WORKER:**

Yeah! All the time, it's company policy.

**LADY:**

It's company policy, at McDonalds, to take shits...in the  
meat?

**WORKER:**

YUP!

*Long pause shot on WORKER and LADY. WORKER quickly holds up  
a Burger King bag, from seemingly out of nowhere, holding  
it right in LADYs face with a straight arm.*

**WORKER:**

Here's your number two!

*WORKER slightly giggles as LADY takes the bag awkwardly as  
it's too close to her face.*

**LADY:**

*(pauses)*

You didn't shit in the meat here did you?

**WORKER:**

*(laughs overly loud)*

Of course not! This is Burger King!

*(looking directly into camera)*

Only at McDonalds is there shit in the meat!

*Camera holds on the two for a long time, WORKER staring directly into the camera as LADY stares at WORKER. The McDonalds logo appears on screen.*

**VOICEOVER:**

McDonalds, now with eighty percent shit in our meat,  
guaranteed.
