PNR RailWorks employees in Guelph, ON, were all ears when the mechanical staff hosted a corn roast for the locally based Track and Signals & Communications divisions. A barbecue lunch featured 144 roasted sweet-corn cobs. This might be corny, but that's one amazing gob of cobs. #Mattapoissett

Nearly 3½ years since an accident left RailWorks' Glenn Hartrick partially paralyzed, the endurance athlete continues to surmount goals. In the 11/4 #IronmanFlorida triathlon [2.4-mi. swim, 112-mi. bike, and 26.2-mi. marathon], Glenn took 1st in 13:11:07. bit.ly/2Av3qm0
