Employees of our L.K. Comstock & Co. and RailWorks Transit businesses, based in Greater New York City, are enjoying their "Home Safe" 2019 wall calendars. Young relatives of employees submit artwork each fall for calendars produced in December. The February 2019 featured art is from 9-year-old Julia Picano, daughter of L.K. Comstock Outreach Coordinator Paula Picano of the Farmingdale office. Don't miss Julia's speech balloons – even the sun has something to say about texting while driving.
