The endorsements listed in this section reflect Highly-Qualified Teacher (HQT) eligibility based on Alabama Model HQT guidelines. Highly Qualified Teacher credentials for some teachers have been revised at the direction of the U.S. Department of Education based on evolving rulings and guidelines under the "No Child Left Behind Act of 2001." The HQT designation is in effect only when full, valid Alabama Professional Educator, Alternative Baccalaureate-Level, Special Alternative, or Preliminary certification is held and the teaching assignment is in the area(s) and at the grade level(s) for which Highly Qualified is designated.

Legend and Terminology

Certificates marked as 'Class B' indicate Bachelor's degree level.

Certificates marked as 'Class A' indicate Master's degree level.

Certificates marked as 'Class AA' indicate Sixth-year program level.

Certificates are valid from July 1 of the beginning year through June 30 of the ending year.

Disclaimer

Under Alabama Code § 16-23-5 (1975), and Administrative Code rule 290-3-2-.22, the State Superintendent of Education has the authority to refuse to issue, suspend, revoke, or impose other appropriate sanctions upon any certificate issued by the Alabama State Department of Education when the holder has been guilty of immoral conduct or unbecoming or indecent behavior. Please note that it is possible that an individual is listed erroneously. Please contact the Alabama State Department of Education's Section of Teacher Certification if you observe any errors. To reduce the risk of any misidentification of an employee or potential employee, employers should login and use the teacher's unique certification identification number or social security number for certification verification purposes. A person who has timely applied to renew his or her certificate is deemed by the Department to have a valid certificate during the pendency of their application even if their old certificate has expired.
