Our day program offers job skills training, driver license classes, childcare, addiction support groups, individual counsel and prayer, social skills groups, basic living skills, literacy classes, transportation assistance, computer class, resume, job search, & interview guidance, assistance with basic needs (clothing, food, housing), financial management classes, parenting support, health & hygiene education and additional services based on community needs. The participants commit to service work in exchange for receiving services, which increases their sense of ownership in the program.

YOUTH SERVICES: Our after school program offers a positive foundation for children ages 5-13 through a variety of services and activities: literacy intervention, tutoring, mentors, community liaisons, art, dance, gymnastics, sports, teambuilding, guidance and counsel, support groups, life strategies, outreach, choir, field trips including regular visits to the library and park, guest speakers, spiritual guidance, special events, performances, snacks, thematic units focusing on fun educational activities (Mad Science, Cultural studies, book clubs, etc.), school & hygiene supplies, clothing donations, & opportunities for family participation. Children & families participate in fundraising efforts, volunteer work, or donations to offset costs and increase their investment in the program encouraging participants to take pride in themselves and their community.

Main Inside Heading

The most important information about the fundraising event goes here on the inside panels. Be sure that you convey the importance of your cause and highlight the benefits of being a supporter or participant. This is a good place to include a picture that shows someone participating in the event or the cause you are supporting.

You can use secondary headings to organize your text and to make it more scannable for the reader.
