Experience the legacy of over a century of coffee making with this, our boldest blend yet. Made from 100% highland Robusta peaberry, this medium roast is a full-bodied delight. It's high caffeine concentration is bound to give you a running start to your day, or give you the boost you need, any time. This intense, dark, chocolatey flavour can stand up to plenty of milk and sugar, or ideally served with condensed milk for a more traditional Vietnamese flavour.

The versatility of the drink is endless, and it can be enjoyed hot, served on ice for the real Vietnamese iced coffee or even blended with ice cream for a rich, flavorful summer treat.

- 100% Highland Robusta (Culi peaberry)
• High caffeine
• Low acidity
• Brews well in Vietnamese Phin filter, coffee press or cone-style filter drip
• Excellent in espresso – high body
• 250g Bag of Ground Coffee
