## Volo

R985.00

Quantity -

Aviator frames are an all-time great. You've noticed that these polarised sunglasses have been tweaked – a keen eye. These lightweight steel frames feature angular top corners for a more refined experience, while the bridge has

been removed over the nose. Contemporary, yet iconic - a breath of fresh air.

ADD TO  
CART

The Volo is an exclusive look in Alhazen's Mizar collection, favouring those who prefer to soar over those who simply wish to stride. Timeless ingenuity meets seamless perfection.
