

alhazen

Ardeo - Pacificus

R945.00

Quantity -

Rectangular frames and gradient lenses lend a commanding presence to this softly blazing pair of sunglasses. The Ardeo's lenses feature UVA and UVB protection – while your eyes are shielded from the sun, everyone around is

shielded from your determined gaze. The bridge has been removed over the nose, bringing a daring touch to otherwise vintage looks.

Alhazen's Ardeo, in 2 colour options, represents the different ways that ambition manifests – either through more subtle, collected drive, or through all-out, burning motivation. It's your passion that sets you apart, and remind yourself of that every time you go out into the world.

- *1x Pouch and cleaning cloth included*

Technical Specs:

UV400 Protection

Lens Width: 55mm

Bridge: 20mm

Width: 143mm
