
CENSUS 2020

FICTION

VERSUS

FACTS

Fill out the Census now at
mycensus2020.gov

"It's not safe to share my personal information with anybody, especially the Government!"

.....

"The Census doesn't affect me! Why bother?"

.....

"I can't fill out the Census! I'm too worried about the pandemic!"

.....

"I still don't think it affects me."

.....

"I've still got plenty of time."

The Census is safe. It utilizes military grade encryption.

.....

Census is important and affects YOU. It guides billions in federal aid and resources. The data collected helps business and city planners.

.....

The Census Bureau has helped track the spread of the Coronavirus and Census data will help guide the COVID 19 vaccine when there is one.

.....

Census data decides the district lines for local, state, and the federal government.

.....

The Census ends all counting on September 30th, 2020.
