

Cavalli Class Bags: A Class of Its Own!

Meta Keywords: Cavalli, Roberto, luxury brand, Italian fashion designer, shoulder bags

Roberto Cavalli Class bags is an **Italian luxury brand** that epitomizes true femininity. These bags are for those women who want to show the world that yes! they are empowered, independent and confident. Each of the Roberto Cavalli bags designed by this famous **Italian designer** are made so different from the other, that you cannot get enough of them. Roberto Cavalli surely knows how to win the hearts of women, he has his way of giving a drastic look to even the classic black bags by adhering them with shiny trimmings in crocodile look or using metallic knick-knacks. If you are a Roberto Cavalli bags fan then you must know that his bags are real attention seekers. One look at his bags and you are bound to go gaga over them.

They are made of extremely high-quality and are a perfect evening accessory. You can opt for Cavalli **shoulder bags**, clutches or totes; the choice is yours! For years, the Cavalli Class bags are taking up the competition with following latest trends and adding the **Cavalli** magic to them. His new collection consists of rivets and fringes. They surely are an eye-popper, covered with laser cuts outs and filigree patterns. One thing I have noticed about the Cavalli bags is that they bring out one message loud and clear, *'there can't be too much of a good thing!'*

History of Cavalli Class Bags

Born in 1940 in Florence, Roberto Cavalli started to show his artistic side at a very young age. Initially, **Roberto** wanted to become an architect, but later he made up his mind to become a **fashion designer**. Somewhere in the mid-80s, Roberto re-launched his fashion store and soon started winning hearts of millions of people. Finally, in 2001, he launched his first line of bags, and undoubtedly, it was a hit. Women love his collection of bags because they are gorgeous and represents a self-confident woman.

If you want to look at his collection of **bags**, then scroll through our website and get all his collections under one roof. And yes, while you are looking at them, there is no harm in buying one for yourself.

Happy Shopping!
