STAYING POWER

All-Nutrient Raspbody Freeze is a non-aerosol spray that dries rapidly to ensue perfect style retention. While creating texture and shine, the formula also infuses nutrients into the hair without adding weight or build-up. Including red raspberry fruit, which is loaded with antioxidants and essential fatty acids, your hair will feel fuller. Bonus: Raspbody Freeze also contains sunscreen for additional haircolor protection! allnutrient.com

NEW YORK NIGHTS

Bond No. 9's latest eau de parfum is New York Nights, which celebrates the infusions of colorful lights that make up Manhattan's nightly skyline. Its top notes are romantic with jasmine and gardenia, followed by patchouli and sandalwood and finishing with coffee and caramel. And the bottle! It's beauty perfection with jewels set on a late-night royal-blue background. bondnog.com

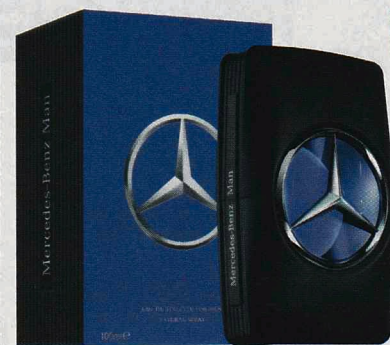

KISS ME RED

Get your perfect scarlet pucker on with MAC Cosmetics Retro Matte Liquid Lipcolour. Seen on the Blumarine runway in the perfect shade of red, *Feels So Grand*, the lip color provides the perfect splash of color in a liquid-suede finish that lingers for up to eight hours. It doesn't feather, it doesn't bleed and the formula wears evenly and smoothly. maccosmetics.com

HE SMELLS SO GOOD

Mercedes-Benz Man: the iconic perfume of an emblematic name is here. Its very intense, aromatic heart of cedar leaf and geranium embodies masculine elegance, followed by notes of pear and ambrette seeds and a deep, woody trail of palisander rosewood and oak moss. The high-tech bottle is a mastery of glass and metal clad in soft-touch matte black, with the well-known logo blazing across the front. parfums.mercedes-benz.com

THE ULTIMATE STYLER

The Andis Ceramic Ionic Styler can take you anywhere you want to be in the land of fabulously blow-dried mane looks. With 1875 watts of drying power, ceramic technology delivers even heat and preserves natural oils and moisture for silky, shiny hair, while tourmaline ionic technology helps dry hair faster by breaking up water molecules. Includes three attachments: soft bristle brush, fine-tooth comb and wide-tooth comb. andis.com

GOOD CONDITION

Or great condition, with help from Macadamia Professional products. Nourishing Moisture Leave-In Protein Treatment helps replenish stressed-out depleted strands with essential vitamins and minerals and helps protect strands against future breaking by increasing elasticity. Smoothing Curl Cream is a rich, conditioning formula that helps control curls while providing a light, touchable feel, while locking in moisture. macadamiahair.com

COLOR FOR TONIGHT

Splat Hair Chalk is the perfect way to add a new hue to your mane for a day or a night. The temporary haircolor is a chalk substance packaged in an easy-to-handle compact. The color slides onto hair with an included applicator sponge, precisely where you put it, and is easily washed out with shampoo. Available in so many cool colors, it will be hard to pick just one! splathaircolor.com

THIS IS US, WITH HAIRCOLOR

Long gone are the days when Mandy Moore was a bubblegum pop singer with bright-blonde hair. The star is now well-known for her brunette beauty, and now we know her secret: Garnier Nutrisse Nourishing Color Creme in *Medium Golden Brown* 53. Mandy is the brand's spokesperson, and the at-home haircolor is a permanent formula that nourishes with grapeseed and avocado oils while delivering rich, long-lasting color. garnierusa.com

A BETTER BEACH

Not your average beach spray, Aveda's Texture Tonic delivers that desired tousled look, but with a touchable finish. The formula is a combination of cane sugar and magnesium sulfate—also known as epsom salt—which won't leave a crunchy film on the hair. The end result is hair that has a piecey texture, but still has natural shine with a great flexible hold. aveda.com
