Dive into Christmas

Looking to trade in white snow for white sand? Spend your Christmas in the beautiful Maldives while one of Scubaspa's well-appointed yachts whisks you to awe-inspiring diving spots and secluded beaches. We're preparing some special holiday events to fill your exotic trip with holiday cheer.

Compete in our sandman contest (there's no snowmen in the Maldives!) to be held on uninhabited island for a chance to win a prize. Then snuggle up with your loved ones under a starry sky while enjoying a classic Christmas movie marathon on our deck (think Home Alone, It's a Wonderful Life, Elf, etc.). Baking is a beloved Christmas tradition, and our chefs will host a ginger bread baking and decorating session. Join in or simply enjoy the delicious fruits of our labor.

The highlight of your trip will be a Christmas Eve BBQ on a beautiful deserted island, followed the next day by a Christmas Day turkey dinner feast with all the fixings. Spend the last day of your cruise celebrating the holiday with amazing food, good company, and incomparable

scenery. We encourage you to get comfy and wear your favorite holiday pajamas — our crew will be joining in on this tradition too!

We have more holiday plans and surprises coming, so get ready for the best Christmas you've had in years!

New Year's Cruise

Ring in the New Year is always a blast, and there's no better way to celebrate than on a NYE cruise with Scubaspa. This year, we're welcoming 2021 with a fabulous NYE party on a deserted, private island. Dance all night to music spun by a DJ while waves lap at the shore. We'll be hosting a costume contest, so start thinking of how you can dress to impress! Say goodbye to 2020 and welcome a brand-new year in one of the world's most beautiful places.
