## Singles-only New Year's Cruise

SPECIAL OFFERS

Who says couples have all the fun? Skip the ordinary NYE experience and embark on an exciting getaway amid the splendor of the Indian Ocean. Wrap up 2020 and celebrate new beginnings with seven whole days of Maldivian adventure and active leisure galore!

This is not your typical Scubaspa cruise. We'll head out far north and venture to little-known, uninhabited islands and sandbanks you wouldn't normally see. You'll enjoy beach BBQs in the most stunning surroundings imaginable. You'll have a chance to sleep over in your tropical paradise, waking up to cool morning breezes and starting the day with a swim in a lagoon before enjoying a leisurely breakfast.

Socialize with other singles you meet on deck and get to know your new friends better while diving, snorkeling, playing games and having fun. In the evenings, boogie down to songs spun by a DJ or enjoy local vibes with traditional Boduberu music. When the time comes, say goodbye to 2020 with a chic New Year's Eve dinner followed by entertainment and party at a private island resort.

You'll get a fun, adventure-packed trip, but when you need some "me time" simply head to our full-service spa for one of our soothing treatments.

We don't mind if you bring along your best single friend, they'll get a 50% discount!
