Make a plan

Hey Elizabeth,

I really, really, *really* wish I could watch the Packers destroy the Vikings at Lambeau Field today – but I have a good reason for missing the game.

The NextGen Wisconsin team, along with hundreds of volunteers, is spending this weekend reaching out to every Wisconsin voter we possibly can. We're running out the clock in the most important election of our lives, and we're staying laser-focused on the ultimate win: ejecting Donald Trump from the White House for good.

As much as I hate missing Packer games, it doesn't even compare to what a Trump re-election would mean. For communities of color, immigrants, LGBTQ+ people, women, people with pre-existing health conditions, and everyone else Trump's administration has harmed, this election isn't a game. Lives and livelihoods are on the line, and we'll be fighting for them until the buzzer sounds. [Make sure you have a plan to vote by 8:00 p.m. on Tuesday.](#)

Let's rush the polls and tackle Trumpism (but first let's demolish the Vikings).

Go Pack,
