Hey {{FirstName or 'Friend'}}!

I hope you're doing well, staying safe, and taking care of yourself!

As we get ready for the start of the new school year, I wanted to reach out and introduce myself. I'm Freya, an organizer with NextGen Wisconsin. This election cycle, I'm working hard to make sure that Millennial and Gen Z voters have the knowledge and resources they need to cast a ballot in November.

A bit about me!

I fight for: people who deserve more than a failing economy, social inequality, and the climate crisis

My college experience: I received a BA in Political Science and a Certificate in Scandinavian Studies from UW-Madison (go Badgers!)

What I ❤️ about Wisconsin: Kringle, cheese curds, & all the beautiful state parks!

In 2016, Donald Trump won Wisconsin by fewer than 23,000 votes and I know we can flip it back to blue this year. We can elect a president who will actually work in our best interests and block an overwhelmingly powerful GOP super majority in our state legislature. That's where you come in! A brighter future is possible, but I need you on our team to ensure that young voters turn out in unprecedented numbers.

Here are a few ways you can get involved:

- [Make sure you're registered to vote at your current address](#)
- [Sign up for one of our upcoming virtual events](#)
- [Sign up to receive text communication from us, so we can keep you in-the-loop with election updates and action items.](#)

We can make history and build a better world for our generation — but it's going to take all of us! I can't wait to do this work with you.

In this together,

Freya Hambrick
