

PEELS

2022 CBD Gummies Product Copy for Website and Email Campaign

Inspiring anyone who uses CBD, or who is curious about using CBD, to experience its benefits without the worry of THC in the product. For work, travel, sleep, pain, or stress, CBD made from orange peels is the future of holistic wellness without unwanted extras such as THC, heavy metals, pesticides or toxins.

Goal: To introduce Peel's new product: CBD gummies as well as educate Peel's target audience about the benefits of Peels CBD vs CBD made from hemp and cannabis. To expand current customer's knowledge of what is possible with Peels' CBD and the different products available.

A fresh-squeezed slice of self-care

Peels CBD was created to ensure you feel and perform your best, every day, no matter where you are. Our CBD Gummies are perfect for on-the-go wellness and safe to travel with. 100% legal in all 50 states, you can take the our resealable pouch anywhere!

Upgrade your CBD with better flavor and reliability.

Our CBD is the purest on the planet at 99.5%+. It's made from the terpenes in citrus peel, which gives oranges their gorgeous citrus smell. Combine that with entirely natural, organic ingredients in our gummies and you get all the holistic benefits of CBD without worrisome extras like THC, psychoactive contaminants, pesticides, toxins, or heavy metals.

Introducing a fresh-squeezed slice of self-care.
