

Value-Based Care
Radio Script 1
(60 seconds)

We all want the best healthcare for ourselves and our families, but with costs rising every year, most of us are also looking for ways to keep those costs manageable. At Revere Health, we don't think you should have to choose between the highest quality and the most affordable healthcare.

Revere Health is leading the way in shaping the future of healthcare in Utah, with doctors and care teams focused on providing the highest quality care at the lowest cost, leading to the best possible patient outcomes. We call it value-based care.

From treating broken bones or the flu, to help managing complex health conditions, your Revere Health providers are working together to get you the right care at the right place at the right time and putting you as the patient at the center of your healthcare decisions.
