## PROFILE

Two decades of success in print and digital news media in the New York/metropolitan area as a reporter, producer and editor. Managing editor of News12.com. I have a curious nature and an obsessive attention to details.

I led a team of digital content producers while overseeing copy edits, curating our websites and pushing elite-level alerts right into our audience's pockets.

## EXPERIENCE

### ○ Digital Managing Editor

News 12 April 2022 to Present

Collaborates closely with reporters, producers, social media team and department heads on how to get the most out of our digital content

- Leads team of digital and social producers
