QUICK-START GUIDE to LOW-IMPACT WATER WORKOUTS

YOUR AQUA FITNESS EQUIPMENT

BODY-SCULPT DUMBBELLS
Use for resistance or balance on the water's surface.

4-IN-1 MONTEREY HAMMOCK
Exercise saddle supports you while you work out.

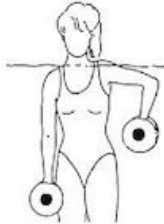

MESH CARRY BAG
Take dumbbells and Hammock with you on the go!

BEFORE YOU DIVE IN!

Before starting this program, consult your physician; he or she may recommend a target heart rate for your ideal condition intensity.

WATER EXERCISES

Start with feet planted on the pool bottom and shoulders at water level.

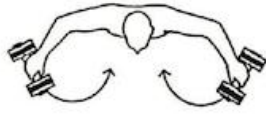

PUNCH DOWN
Leaning slightly forward, punch your arms downward, alternating arms back and forth.

ARM CURLS
With your elbows bent and palms facing down, alternate moving arms up towards your shoulders and down by your sides. Tip: Relax your shoulders and grip to ease movement.

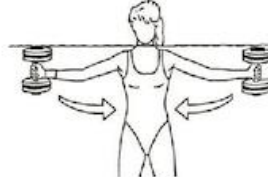

PUNCH OUT
Stand with one foot in front of the other, knees slightly bent, and punch forward away from your chest. As one arm extends, the other retracts.

SWEEP IN/SWEEP OUT
Extend your arms out to the sides at shoulder level. Sweep arms toward and away from your chest.

BICYCLE ROTATION
Holding dumbbells, palms down and in front of you, create a bicycle-like motion. Reverse motion intermittently.

CHEST PRESS
Extend your arms outward. Bring your arms together in front and return to starting position. Repeat.

DRINK PLENTY OF WATER • GO AT YOUR OWN PACE • COOL DOWN
