## EXPERIENCE

### NBC News

*Social Newsgathering Reporter / August 2024 – October 2025 / Washington, D.C.*

*Associate Social Newsgathering Reporter / June 2022 – August 2024 / New York, New York*

- Found and got permission to share user-generated content (UGC) of national & global relevance on NBC and MSNBC platforms like “Nightly News,” “TODAY,” NBCNews.com
- Verified or debunked videos and photos circulating online using geolocation and reverse image searching tools in consultation with news group’s standards department
- Confirmed who social media profiles belong to by comparing details with public records
- Conducted advanced searches and research on social media to support reporting

### The Associated Press

*News Associate / April 2021 – May 2022 / New York, New York*

- Wrote breaking and daily stories about news in 13 southern states for statewide, national or global wire publication; rewrote AP members’ reporting to add context
- Edited live blogs about the Russia-Ukraine War and the COVID-19 pandemic
- Gathered UGC; helped rewrite AP Stylebook section on social media as a reporting tool
- Collaborated with reporters and editors on coverage such as elections & investigations

### Montgomery Community Media

*Freelance Writer / July 2020 – March 2021 / Rockville, Maryland*

- Wrote online news posts of interest to Montgomery County, Maryland, residents including coverage of federal government proceedings and officials through a local lens
- Analyzed county and state COVID-19 data; presented numbers in interactive charts

### Howard Center for Investigative Journalism

*Reporter / June 2019 – February 2021 / College Park, Maryland*

- Led reporting and writing of national projects on public housing evictions and homeless encampments (“Nowhere to Go”) & government’s preparedness for intensifying floods
- Devised promotional strategies and conducted social media research for “Code Red,” an investigation into impacts of urban heat on low-income Baltimore neighborhoods
- Fact-checked colleagues’ investigations by confirming details and context with interviewees & comparing wording with cited policies and studies

### Capital News Service

*Capitol Hill Reporter / January 2020 – May 2020 / Washington, D.C.*

- Wrote stories about federal proceedings on tight deadlines, including President Donald Trump’s first Senate impeachment trial and 2020 State of the Union Address
- Reported updates on the government’s response to the outbreak of COVID-19

### Montgomery Community Media

*Editorial Intern / January 2019 – May 2019 / Rockville, Maryland*

- Pitched and wrote online news posts about Montgomery County, Maryland, on topics ranging from crime to local government to community events

### Capital News Service

*Investigative Reporter / January 2018 – May 2018 / College Park, Maryland*

- Examined Baltimore court records for cases in which innocent people pleaded guilty
- Evaluated national plea-bargaining trends and related legal statutes
- Summarized findings from various sources in case briefs and memos

### Street Sense Media

*Editorial Intern / January 2017 – May 2017 / Washington, D.C.*

- Wrote news stories about barriers to housing and employment in D.C.
- Copyedited 16-page biweekly newspaper and online stories
- Formatted print editions using InDesign and digital content on WordPress
