

An offshore oil rig is silhouetted against a dramatic sunset sky. The sun is low on the horizon, casting a golden glow over the water and the rig's complex structure. The rig features a tall derrick, various platforms, and a crane. The water in the foreground shows gentle waves.

ENIKOR

- Re-energizing the core of a good business idea.
- The final product – refined oil, fuel – forms the core of engines / machinery.
- The oil is drilled from the core of the earth.

Stello

'Star' in Latin. The new company wants to be the best, is driven by excellence, delivers tomorrow's potential today, upholds promises to its communities. It is a star.

A close-up photograph of two men in business attire shaking hands. The man on the right is wearing a blue checkered shirt and a blue striped tie. The man on the left is wearing a dark suit jacket. The background is a blurred, warm-toned outdoor setting, possibly a staircase or a walkway. The word 'SIDUS' is overlaid in large, bold, orange letters across the center of the image.

SIDUS

'Star' in Latin. The new company wants to be the best, is driven by excellence, delivers tomorrow's potential today, upholds promises to the communities. It is a star.

Azter

'Star' in Greek. The new company wants to be the best, is driven by excellence, delivers tomorrow's potential today, upholds promises to the communities. It is a star.

A group of people are clapping their hands in a dimly lit room. The background shows a cityscape with tall buildings under a warm, orange glow, possibly from a sunset or sunrise. The clapping hands are in the foreground, and the overall atmosphere is one of celebration or achievement.

Varya

'Excellent' in Sanskrit. A fitting name for a company driven by excellence.

Vasuu

'Excellent' in Sanskrit. A fitting name for a company driven by excellence.

OHA

'Excellent' in Sanskrit. A fitting name for a company driven by excellence.

SUNOVUS

Coinage of Sanskrit 'su' meaning 'excellent' and
Latin 'novus' meaning 'new'.

Zokos

Phonetic coinage from 'exochos'
meaning 'excellent' in Greek.

PANO

'Up' in Greek. The company channels all energies upwards – oil is drawn up from the depths of the earth. The internal culture is focused on pushing harder and moving speedily towards a better future. The company upholds its reputation by delivering on promises to clients.

KOROL

'king' in Russian. The company is a true leader – caring towards its employees, visionary in terms of its own future and tireless in improving / innovating its own work standards, client deliveries and culture.

REGGAS

'king' in Greek. The company is a true leader – caring towards its employees, visionary in terms of its own future and tireless in improving / innovating its own standards, client deliveries and culture.

Kathar

A contraction of 'katharos' meaning 'pure' in Greek.
The company does not only refine oil but also its own
efforts through the constant pursuit of excellence everyday.

A dramatic background image of an explosion or fire. The scene is dominated by dark, billowing smoke and bright, intense orange and yellow flames. The light from the fire illuminates the surrounding smoke, creating a sense of depth and power. The overall atmosphere is one of high energy and intensity.

Oktanyo

'octane' in Greek. Octane is a colourless, inflammable hydrocarbon, present in petroleum spirit. But the name also fits the high-octane, energetic, powerful thinking that makes this company great – the relentless, daily pursuit of excellence.

An aerial, night-time photograph of India, showing the country's outline and its cities illuminated by lights. The background is a dark, starry sky with a bright light source on the right side, creating a lens flare effect.

Tella

The name is a coinage from 'tellus', Latin for 'earth', 'globe', 'soil' and 'region'. This company is as global as it is Indian, it climbs as many heights as the depths it plunges in search of oil deposits, it has as much breadth of future vision as sharp focus on everyday excellence and empathy. Rooted in India, it sets world-class standards.
