Welcome to Our Healthcare and Nursing College

The College of Nursing and Health Care Professions has a nearly 35-year tradition of preparing students to fill evolving healthcare roles as highly qualified professionals educated in direct care, management, health education, and administration.

Grand Canyon University's (GCU) in-class and online environments advance critical thinking, professionalism, accountability, and ethical decision-making by applying science, health and nursing theories. This is all fulfilled within our Christian identity and mission, known as [One Foundation](#).

Our College Mission

The mission of the College of Nursing and Health Care Professions is to develop professionals using systems- and evidence-based practice to promote health, wellness, safety and quality care for individual patients and populations supported by an academically rigorous liberal arts education reflecting Christian values.
