email

Home-buying season is in full-swing! It's time to step up to the plate and introduce members to the powerful benefits of HomeAdvantage®. To help you stay in the game, a special new promotion is coming your way on April 1st!

- **WHAT:** *Home Run to Homeownership* is a fun, baseball-themed bonus program designed to deliver extra HomeAdvantage Employee Rewards for achieving specific registration goals.
- **HOW:** Earn a \$20 Employee Rewards bonus when you "hit" each of these bases – a *single* (10 total registrations), *double* (20 total registrations), *triple* (30 total registrations) or a *home run* (40 total registrations). Round the bases as many times as you can for unlimited Bonus Rewards!
- **WHEN:** We will start counting registrations on April 1 and continue counting through June 30. All registrations accumulated in these three months will count towards your total base count.
