

Let's elevate women's health and fight ovarian cancer – together.

Year-End 2022

\$25 can supply a survivor/patient with a specialized T.E.A.L.® Kit that provides comfort and fun right to their door.

Dear Supporter,

We are so grateful to have a community like ours making a difference. Our supporters are the lifeblood of our organization who make our important work possible.

We've accomplished amazing things together, but there's still work to be done.

It's estimated that 19,880 new cases of ovarian cancer will be diagnosed in the U.S. this year and 12,810 women will die from the disease. While the overall survival rate among all cancers has seen a 19% increase from 1975 to 2017, the survival rate of ovarian cancer has only risen **13%** in that same time.

With your help, Tell Every Amazing Lady® can provide more education and fund more research so that more people can overcome ovarian cancer. We know we can make a change if we do this together.

You've already demonstrated your support for those affected by ovarian cancer. Would you be willing to make a special year-end contribution of \$25, \$50, or \$100 to help us support patients and survivors as well as spread awareness of the signs and symptoms of the disease to save more lives?

Big things are on the horizon for Tell Every Amazing Lady® in the new year, and with your help, we can make 2023 amazing.
