FOR IMMEDIATE RELEASE

PARTNERS® , A Tasteful Choice Company, Introduces Thoughtfully Sweet™ Mia Dolci Crispy Shortbread Cookies

San Francisco, CA (January 13, 2019) – PARTNERS®, A Tasteful Choice Company, is pleased to introduce their Mia Dolci Crispy Shortbread Cookies – a lighter and crispier indulgence than traditional shortbread. They’re available in Chocolate Swirl, Lightly Lemon, Cinnamon Spice, and seasonal Pumpkin Spice. Visit PARTNERS at booth #1445 to see the new items and other featured favorites.

For 26 years, PARTNERS has crafted gourmet artisan crackers, slow baked with carefully selected ingredients for exceptional flavor and texture. Now, they are excited to unveil their thoughtfully sweet™ Mia Dolci Crispy Shortbread Cookies. They’re made with fresh, wholesome ingredients like fresh lemons, cane sugar, and real butter. The result is a light, crispy delicacy that satisfies consumers’ desires for a cookie with less sugar and fewer calories than most cookies on the market – without relying on artificial flavors and sweeteners.

“PARTNERS’ mission is to provide gourmet artisan crackers and cookies for the food conscious consumer – those who care about what they put into their bodies,” said Cara Figgins, president of PARTNERS. “These cookies are most inspiring because of what we choose to include and what we choose to exclude. They have no artificial sweeteners, no high fructose corn syrup, no hydrogenated oils, and no artificial flavors or preservatives. They’re made with real, honest ingredients and are low in sugar, with just 7 grams per 4-5 cookie serving.”

PARTNERS is known for meticulously selecting better-for-you ingredients. If they are unable to find a trustworthy, reliable source, they make the ingredients needed, such as the fresh lemon juice and fresh lemon zest made in-house for the Mia Dolci Lightly Lemon Crispy Shortbread Cookies. They also use only the finest Dutched cocoa for Chocolate Swirl, Indonesian cinnamon for Cinnamon Spice, and real pumpkin puree for Pumpkin Spice.
