

EQUINE ASSISTED THERAPY

<p>Fade up horse lifts head</p> <p>Ginni Hartke, Founder, Exec Director Equine Assisted Therapy</p> <p>15635 tight petting nose</p> <p>4427 Linda grooming 4851 Dick picking hoof 4753 other guy, then linda thru</p> <p>back to Ginni on cam</p>	<p>(Ginni – shot on 2015 12 01 / Sandy Schulz)</p> <p>20842 *(laughing, horse lifts head and rubs on her) as you can see horses are very lovable – and this is what they do with the kids too 20852</p> <p>21039 they’re loyal</p> <p>(pls try to tighten up this bite: 21046 they’re very in tune to their human if the humans afraid, they’re afraid. If the humans in charge they feel comfortable. And they’ll show you those signs..</p> <p>They’re very gentle souls and I think one of God’s most beautiful creations</p>
<p>pasture gray horse 2237</p> <p>504 pull signage on gates or 5:33 static gates</p> <p>4945 girth 4950 tighter</p>	<p>(ANNCR)</p> <p>GINNI HARTKE’S LOVE OF HORSES – AND HER CAREER IN NURSING - LED TO HER TRUE PASSION... THE CREATION OF EQUINE ASSISTED THERAPY IN WILDWOOD, MO – A NON PROFIT THAT PROVIDES HORSEBACK RIDING ACTIVITIES TO PEOPLE WITH DISABILITIES.</p>
<p>Either Ginni on cam or bring in next shot early</p>	<p>(Ginni)</p> <p>20659 as you can see these horses are very calm very tame very sweet...</p>
<p>11508 headband girl horse thru shot</p>	<p>(Nat sound sidewalker with girl) - head up young lady</p>
<p>Shot continues til thru</p> <p>12214 new angle (cut w above) 12454 girl in black 12248 xws (think it cuts with above)</p>	<p>(Ginni cont’d)</p> <p>20703 (tighten up please) they are hand picked // to do what they do with – wheelchairs, people on crutches, people that aren’t sure-footed we can take anyone because these horses are so dead calm</p> <p>They know their people when they arrive and they make them feel very special.</p>

<p>12808 pretty shot trail ride 12930 same kid new angle 13105 same kid tighter</p> <p>13334 horse face up to girl</p> <p>Ginni back on cam</p> <p>2316 bay turns head tilt nose to eye</p> <p>14656 boy on horse 2 men 14605 supergirl smile and walk thru see other in bg</p>	<p>20858 the horses know the kids are innocent, be gentle with them , the horses immediately, their heads go down and that tells you im going to lower my level a little bit for our kid</p> <p>20731 they think and they observe. 20735 have a horse that will lay its head on a seizing child until the child is finished seizing. and we can put em back up on the horses back. They know.</p> <p>(ANNCR) USING HORSES IN THERAPY DATES BACK CENTURIES. THE ANCIENT GREEKS DOCUMENTED THEIR USE OF THERAPEUTIC RIDING. TODAY, THE THERAPY CONTINUES TO GROW – BENEFITING CHILDREN AND ADULTS WITH PHYSICAL, COGNITIVE AND EMOTIONAL ISSUES.</p>
<p>Lulu Bogolin Dir of Equine Assisted Learning</p> <p>Cover w slow zoom photo boy on horse – hoping you can brighten pic</p> <p>(either hold pic from above or) Lulu leading horses WS 5:59 & hooves 6:06</p> <p>Lulu back on cam</p> <p>Lulu working with other kids 13242 lulu point wave 13256 tight cut w above</p>	<p>(Lulu) 2730 I actually got involved with this program when my son rode here with some special needs.</p> <p>He had lots of sensory issues, was not able to ride a bicycle</p> <p>(please insert) 2748 the horses helped him so dramatically</p> <p>2814 we literally left here one day and we got home and he said, I wanna ride my bike and he got on his bike and he rode without training wheels. And the strength that he got from these horses in his core to be able to do that –</p> <p>2750 I was so impressed with the changes in him that I decided this is what I wanna do , I want to help others the way this program helped my son</p>
<p>13201 L to R thru shot trail 12944 same girl ws front 12853 ? up from behind 12902? Another angle</p>	<p>(ANNCR) THE HORSE’S RHYTHMICAL GAIT MOVES THE RIDER’S PELVIS IN A MOTION SIMILAR TO WHEN A PERSON IS WALKING... THIS HELPS STRENGTHEN MUSCLES WHILE IMPROVING BALANCE, COORDINATION AND MOBILITY.</p>

<p>Todd Oswald, Parent of rider</p> <p>Sequence Katie & her sidewalker Gabbie dif angles 14928 Katie 14939 ws trot 15255 front low shot trot 15134 same from inside</p>	<p>(dad) 14122 my daughter Katie has been coming here for 10 years she started just before her third birthday doctors had told us if she was unable to sit unassisted by herself that there was a very real possibility she'd never walk. // 14142 after about two months of riding in the program she sat up unassisted for the first time by herself and we've been coming ever since</p>
<p>Katie trotting from above</p>	<p>(Katie).. "15134 " – c'mon.. that was terrific yay you did it.."</p>
<p>407 gelding walks to others in field</p> <p>11040 -42 man helps hair helmet 11417 cut w above (OR) 11115 same man cut w above turns backwards (or) 11530 xws 11953 other rider</p>	<p>(ANNCR) RESEARCH HAS SHOWN OTHER BENEFITS.. EQUINE THERAPY CAN LOWER BLOOD PRESSURE AND HEART RATE,.. ALLEVIATE STRESS, AND REDUCE SYMPTOMS OF ANXIETY AND DEPRESSION. IT CAN ALSO HELP IMPROVE SELF-ESTEEM, AND A FEELING OF INDEPENDENCE..</p>
<p>(doesn't want full last name) Erika L. Parent of rider</p> <p>Her son trotting 14847 Linda tells them start 15118 -15122 from side (cut out by 15122 horses ears pinned) 15219 front view same</p> <p>back to mom</p>	<p>(mom) 13521 my son has been participating in equine assisted therapy for a few years now and the reason I bring him back is I see positive results. 13533 I see him talking more. We drive by this facility and I hear him say, oh I want to ride Dusty and im like whoa theres more language expression, theres a willingness theres a love for a connection with these animals and it brings him joy and comfort</p>
<p>15014 tilt down to Gabbie bring next shot in early if needed</p>	<p>(ANNCR) AND THE MANY TRAINED VOLUNTEERS AT EQUINE ASSISTED THERAPY MAKE IT ALL POSSIBLE..</p>
<p>Man with girl</p>	<p>11327 nats push push push (legs) good girl</p>
<p>Sidewalker shot continues</p> <p>Lulu on cam</p> <p>11550 sidewalkers backlight</p>	<p>(Lulu) 4333 The sidewalkers to me are the most important, their sole responsibility is the participant who is on the back of the horse to engage with them and get them maybe to stretch outside of their comfort zone maybe it hurts to reach across a</p>

12406 girl puts pole on ring shot continues	horse and put a ring on the opposite side of the pole but that is their job and // engaging with the kids and the adults. They're just a huge part of what we do
Dick Taylor, Volunteer Generic trail riding broll 12829 xws side 2 horses 12941 front view 13208 -13210 xws rear (get out before clownpants obvious) Dick on cam	(Dick/volunteer) 5257 one example recently is a little kid came in here screaming wouldn't let go of his mom and within four to six weeks this kid is riding out on the trail by himself with sidewalkers and a leader so you see those kind of things where confidence develops , kids who have never spoken have started talking , physically develop, 5342 So yeah its really heartwarming to see what goes on here
Dick and Linda and girl	(pop nats) 11626 stretch for his tail, awesome stretching - ha
Linda Taylor Therapeutic Riding Instructor	(Linda/volunteer) 10049 I do it because I love children I was a first grade teacher and I love horses so it's a perfect combination 10056
Horse face 14734 Trotting 14724 14815 another to cut in	(quick nats pop girl having fun trotting)
Low shot same 15157 Trail riding thru shot 13146	(Linda cont'd) 10436 they love trotting that gets giggles from them and the horses of course love to trot as well and they love going out on trails ..
Linda on cam girl kisses horse 11739	(Linda cont'd) 10335 the horses seem to love all of the attention that they're given and the riders just beam so it makes us feel really special when they do..
Kiss shot continues	(Bob) take a hold of the green (refers to reins) (Out before Dick repeats it)
Bob Bower, volunteer (if we need another shot of Bob?) Bob sidewalking 13344	(Bob/volunteer) 10810 I like being around the kids the kids get something out of this and when you see them happy and smiling it makes you feel good it makes you feel like you are helping them along their lives

<p>Little girl on horse Shot continues</p>	<p>11657 (quick pop girl says "walk on") or same at 12423 what do you say? Walk on</p>
<p>Lulu on cam 13231 xws lulu all to cam 15103 katie talks Gabbie 14710 tilt up to supergirl 15300 (bring upcoming nats shot in early and roll into nats)</p>	<p>(Lulu cont'd) 3302 we've got kiddos who couldn't sit up or walk and they are now walking and sitting up , there may be kids who are non verbal but they can say walk on and when you see that happen on a daily basis you know there is a need for it and you wanna share it. You wanna share it with everybody (cut first time she says): And you wanna see it grow // 3339 (better inflection) you just wanna see it grow</p>
	<p>15300 (head on view) that was terrific ! and walk out of shot – fade to black</p>
