Something so special, something so rare!

Those first newborn moments of pure ecstasy and satisfaction,

Will pass you by, if you fail to care.

Don't take those moments for granted,

For even the happiest memories can fade.

Treasure those first tender moments with Print my wish personalized necklace charm or heart pendant.

For those moments are not made to fade but last!

What could be more enchanting than this personalized necklace charm?

Celebrate your motherhood!

Like stars to the sky,

So is our baby to us.

Like snowflakes,

Beautifully unique.

Capture the little one's performances,

For they will zoom by in an instant.

Treasure those precious moments,

With Print My Wish personalized necklace charm.

For memories are meant to be cherished life-long.

Do you ever wish you could freeze the moments you have with your newborn?

Even the single moment takes up the most room in your heart.

Capture a moment of your little one,

And keep it alive forever,

With Print My Wish personalized necklace charm.

What's more precious to save than your baby's first new born moments?

No bond so strong,

Like that of a baby and mother.

The joy of motherhood,

Comes in moments.

Treasure those rare moments of togetherness,

With Print My Wish personalized necklace charm.

For there's no better way to convey your endearing love for your baby.
