

3 Reasons to Put Yourself in a New RAM 1500 From DENNIS DILLON

When you're looking to replace your old truck, you want that process to be quick and straightforward. Ideally, you're looking for something reliable; something that will work as hard as you do when you need it. More importantly, you need something that can take a beating and keep kicking 10 or 15 years down the road.

With countless awards to its name, being named the MotorTrend Truck of the Year *twice*, the RAM 1500 is widely considered one of the toughest, most reliable trucks on the market. For over 48 years, DENNIS DILLON has earned a reputation as one of the best [Boise used car dealers](#), offering a wide selection of new and certified pre-owned RAMs. From powerful engine options to unmatched towing and off-road capabilities, here are three reasons to put yourself in a new RAM 1500 from DENNIS DILLON today.

Award-winning Engine and Powertrain Options

Voted a 10 out of 10 by Car and Driver magazine, there's plenty to love about the new RAM 1500. Among the many trim levels to choose from, the RAM offers V6 and V8 gasoline powertrains along with a smooth-shifting eight-speed automatic transmission. Its base spec V6 produces 305 horsepower, while the V8 options provide 395 horsepower for those feeling a bit more adventurous. If you're looking for something beefier, the 5.7-liter Hemi V8 produces an incredible 702 horsepower, pushing the TRX model from 0 to 60 in under 4.5 seconds.

With nine convenient locations around Idaho's Treasure Valley, DENNIS DILLON makes checking out and test-driving these powerful RAM 1500 models a breeze. As one of Idaho's premier car dealerships, their selection speaks for itself, offering new and [used trucks Boise](#) residents can rely on.

Surprisingly Luxurious Interior

When most people think of pickup trucks, they tend to think of more basic, rugged interiors. The RAM 1500 takes a different approach, offering a surprisingly luxurious interior. Carbon fiber inserts give the TRX trim a sportier style, while soft-touch materials and leather make long hours in RAM'S cabin a comfortable experience.

If that weren't enough, the RAM 1500's cabin features an impressive and responsive touchscreen, Apple CarPlay and Android Auto capability, dual-zone climate control, and a host of other notable features. In short, everything is where you expect it to be, with some extras thrown in for good measure.

Unmatched Towing and Off-Road Capabilities

A competent truck should be capable of towing some pretty hefty stuff, and the RAM 1500 doesn't disappoint in that department. With a towing capacity of up to 12,750 pounds and a payload of up to 2,320 pounds, it's made to handle just about anything you can throw at it.

Thanks to DENNIS DILLON's dedicated team of finance and sales experts, you'll be able to find a truck that suits your budget and needs in no time. Best of all, the DENNIS DILLON Difference ensures that if you're not satisfied with your purchase for any reason, you'll have 72 hours or 300 miles (whichever comes first) to refund or exchange your vehicle for another. That's just one of the many reasons DENNIS DILLON is among the best RAM, Jeep, and [Boise used trucks](#) dealerships.
