CBC Panel	\$75.00	Included
Sports / School Physicals	\$25.00	Included
Influenza Vaccine	\$45.00	Included

\* When supplies available

\*\* Does not include immunizations

† The Total Point Wellness Membership is not health insurance or a medical plan that provides healthcare coverage for the purpose of compliance with the Affordable Care Act. It is a membership discount program applicable only to select services provided by participating Total Point Urgent Care clinics. Not all conditions may be treated by the Total Point Wellness Membership and additional medical care may be required. Members may not seek reimbursement from their insurance plan for services received using the Total Point Wellness Membership.

# TOTAL POINT WELLNESS MEMBERSHIP

## Starting at just:

**\$59**

INDIVIDUAL

Monthly annual membership plan

**\$50**

+ FAMILY MEMBER

## Who can benefit from Total Point Wellness Membership?

Uninsured Individuals and Families without healthcare coverage may prefer this plan to traditional insurance.

Insured Individuals and Families may use the Total Point Wellness Membership as an alternative to lower your monthly insurance cost. If you have a high premium or limited coverage, a Total Point Wellness Membership may allow you to avoid paying high co-pays or out of pocket costs and help reduce your overall healthcare expenses.

## Purpose

At Total Point Urgent Care, we believe quality healthcare should be a basic right and affordable for everyone. As the price of health insurance continues to rise, Total Point Urgent Care is proud to offer Total Point Wellness Membership, a high-quality, straightforward, and affordable urgent care discount membership program.

## What is NOT included in your Total Point Wellness Membership?

- Services provided by healthcare providers or at facilities that are not a participating Total Point Urgent Care clinic such as emergency rooms (free standing or as part of a hospital), hospitals, ambulatory services, house calls, or in-home services, etc.
- Immunizations and vaccinations other than standard flu shot (influenza vaccine)
- Work related injuries and/or services
- Motor vehicle accident injuries and/or services
- Treatment of chronic pain, substance abuse, addiction, or addiction withdrawal
- Durable medical equipment (crutches, splints, etc.); this service is provided and billed through an outside vendor but may be covered by a medical insurance plan if you have one
- Diagnostic imaging, radiology services, and other imaging services performed by outside facilities (these will be billed to you or your insurance company separately by the providing institutions and may include but are not limited to: imaging services such as MRI's, CT scans, ultrasounds, etc.)
- Diagnostic laboratory services performed by outside facilities such as LabCorp, Quest Diagnostics
- Prescription medications
