

THE LITTLE CLINIC HEARING CENTER: 30 SCRIPT #1

“Certain Medications”

:30 Seconds

VO:

Did you know that certain medications, pregnancy, menopause, and high blood pressure can cause hearing loss? The Little Clinic Hearing Center is now offering free hearing tests with state licensed Lucid® certified hearing specialists. A hearing evaluation includes an audiogram and a detailed explanation of your hearing health. The Little Clinic Hearing Center offers Aspire Hearing Aids that feature Bluetooth and smartphone technology with affordable prices.
