Travel light at each stage of your journey with our companion mobile app. Explore options, book trips, check in, and move hassle-free through airports. Find all the flight information that matters to you, as you need it.

Features of our travel app:

- Book a flight and select your seat
- Shop one-way, round trip, and award travel
- Shop using our calendar feature
- Shop using your percentage off discount code (more coming soon!)
- See your trips in a list for easy access
- Purchase a seat upgrade using Apple Pay (before check-in only)
- Change your seat prior to departure
- Add your Mileage Plan or TSA precheck numbers to your flight - make sure you get your miles! How? Tap on your name or during check-in
- Check-in up to 24 hours before your flight
- Access your mobile boarding pass—no more paper
- Add your boarding pass, Mileage Plan and Lounge card to Apple Wallet
- Pre-select your meals in Main Cabin and First Class
- See your flight schedule and boarding time
- Share your travel itinerary with friends and family
- Sign in to your account to sync your trips saved in your My Trips
- Track your Mileage Plan balance & view your account activity and tier status
- Keep an eye on First Class and Standby wait lists
- Receive push notifications for flight delays, gate changes, and more
- Change to an earlier or later flight when you check in
- Add flight details to your iPhone's calendar
- Track flights taken by friends and family
- Look up schedules

Thanks for sending us feedback at [iphoneapp@alaskaair.com](mailto:iphoneapp@alaskaair.com). We are listening, and welcome your suggestions.

### What's New

[Version History](#)

If you are signed into your account, you no longer need to sign in again when you book a flight. We fixed an issue in which some guests were experiencing out-of-order trips on their trips list. And we fixed some other bugs, too.

Version 4.1.5/7

Thanks for your help finding bugs, and please continue to send us feedback—we're always listening!
