Ready to fly?

Before you book flights with us, be sure to sign up for Mileage Plan™ membership below and earn all the benefits that come with it.

Fly a mile. Earn a mile.

It's that simple. When you join our Mileage Plan™ program, earning is based on how many miles you fly with us, not how many dollars you spend on your ticket. Each flight gets you closer to elite status benefits. [MVP® status](#) starts at just 20,000 miles – that's about two round trip cross-country flights.

Sign up and start earning today – it's as easy as fly.

Score a status match

Once you've joined Mileage Plan, take advantage of our one-time opportunity to [receive a status match](#). Show us the status you've earned in another airline's frequent flyer program, and we'll upgrade you to our equivalent status for the next three months. Meet the challenge requirements within those three months, and we'll extend your status (restrictions apply).
