

Meet Mabel

Who the heck is Mabel? Mabel's Labels is an award winning company created by four frustrated moms tired of their children's belongings leaving home and not returning. We provide high quality personalized labels to make families' lives easier!

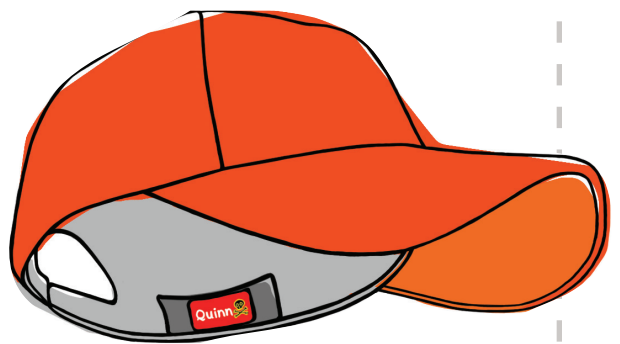

Our labels are popular with celebrities such as Victoria Beckham, Gwyneth Paltrow, and Heidi Klum to name a few. And of course we are also loved by countless moms, camps, daycares, schools, and fundraisers!

Our labels are:

- ✓ Waterproof
- ✓ UV resistant
- ✓ Dishwasher, laundry and microwave safe
- ✓ Guaranteed to stay on

Holy Superheroes...

You know how it is. One year all the kids want superheroes, the next year it's dragons. As much as we want our kids to be original, their stuff is often identical as they jump onto whatever trend is popular at the time. That's why it's important to label their things, especially before they are off to daycare, preschool or playdates. Our personalized durable labels will help them identify their cat backpack, superhero lunchbags, or dragon shoes and make them unique. Avoid mix-ups by labelling their belongings before they head out the door.

What kind of products do you offer?

Our custom, durable labels come personalized with your child's name, and your choice of over 50 super cute icons. We have shoe labels, clothing tag labels, bag tags for backpacks, diaper bags, and lunch bags, and sticky labels perfect for bottles, sippy cups, and more!
