"If you want to taste the best eggs of your life, head to the New Forest. Specifically to Fluffetts Farm."

Angela Barnett, Radio Times

ABOUT US

Over 20 Years of Experience...

At Fluffetts Farm, we are passionate about great food and have been supplying England's finest eggs without compromising on the welfare of our chickens for the past 20 years.

We believe genuine free range eggs should be produced the traditional way - by small carefully managed flocks.

With Fluffetts, you can be assured of the origin, freshness, and authenticity of your eggs.
