

Let's HANG OUT in Springtime STYLE

What will you be wearing this spring? Pops of colour? Florals to match the season? Denim for days? It's time to reach into your cupboard, pull out and dust off your fave spring pieces. Here's a sneak peek of what you might find the bella rae team hanging about in.

My mum bought me this denim jacket a few years ago, despite my protests as it was quite expensive (thanks Mum)! It has become one of my favourites which I wear all the time so I guess it was a worthy investment. I love that it has so many pockets!

I got my colourful playsuit at some Sunday markets. It's been too cold to wear it lately so I'm excited for spring to get here. To me, this playsuit means fun! I love the colours. It reminds me of sweet outings with friends and gets me in the mood for adventure.
