Do Veterans Need Medicare?

If you've served in the U.S. Armed Forces, you are entitled to health coverage through the Department of Veterans' Affairs (VA). As such, you may assume you don't need to enroll in Medicare. This is *technically* true: VA benefits count as qualifying health insurance and are an acceptable substitute for Medicare. However, Medicare for veterans is far from a redundant concept. [Having access to VA benefits and Medicare can be a powerful tool in your healthcare arsenal.](#) Here are some Medicare enrollment tips for veterans looking to take advantage of this surprising synergy.
