

18 MILES OF MEMORIES
STRAND
NEW YORK CITY · Est. 1927

Stranded without him,
Because his final page was turned,
And even though it was his last chapter,
Just like every book that passed
through his hands,
You can re-read the pages of his life,
Reliving the wonderful memories
created by the author:
A father, extraordinary businessman,
and book enthusiast: Fred Bass,
a patriarch of Strand.
