THE RIGHT MEDIA FOR THE JOB

High-Color Density Media Made for Photo Printing

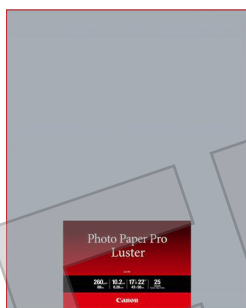

High-end photography and portraits demand exceptional photographic paper, and Canon offers a wide variety to meet every printing need. Accurate, clear reproduction of digital images is a breeze with Canon photographic media options.

To purchase large-format specialty print media, contact your local Authorized Canon Dealer or visit usa.canon.com/largeformatmedia for the latest media information, including printer compatibility.

RECOMMENDED FOR YOU!

Photographic Media Compatible with Our 24-inch imagePROGRAF

Photo Paper Pro Luster 260gsm — 17x22 (25 Sheets)

Original Price: ~~\$99.99~~

Special Discount Price: **\$49.99**

SKU: 6211B025

Photo Paper Pro Luster has a beautiful luster finish for great color saturation and a soft feel. Luster finish provides an elegant surface that resists fingerprints and eliminates glare—great for portrait, wedding and fine art photography prints.

Photo Paper Pro Premium Matte 210gsm — 17x22 (20 Sheets)

Original Price: ~~\$99.99~~

Special Discount Price: **\$49.99**

SKU: 8657B016

The ultimate in Matte Photo Paper brightness and quality. Beautiful, bright, non-reflective matte finish gives you breathtaking prints that look great under varied lighting conditions. Ideal for black and white images with fine details.
