CommONE™

Communication innovation made simple.

In a time of unprecedented market transformation, Cierant offers insurers competitive communication solutions designed to combat compliance, cost and consumer behavior change. These solutions are enabled by CommONE™, a modular suite of services and platforms insurers can flexibly integrate to innovate their marketing and compliance communication programs.

CommONE makes communication innovation simple by offering:

- **Strategies and systems to seamlessly integrate e-Delivery and reduce the cost of print**
- **Print-on-demand directory fulfillment solutions to rapidly evolve with regulatory rule change**
- **Dynamic composition tools to streamline content personalization and improve 1-to-1 engagement**
- **Cross-media platforms to automate content distribution and increase marketing reach**
- **Real-time mail status reporting platforms to better manage compliance and on-time delivery**

We look forward to the opportunity to demonstrate these solutions to you.

Sincerely,
The Cierant Team
