# THE RIGHT MEDIA FOR THE JOB

## Durable Media Made for Graphics Arts Production

Creating eye-catching point-of-sale displays, banners, and signage is easy with Canon Media. Canon Graphics Arts & Signage Media offers a variety of special features, including tear, water, and weather resistance, as well as vinyl coating and repositionable capabilities.

To purchase large-format specialty print media, contact your local Authorized Canon Dealer or visit [usa.canon.com/largeformatmedia](http://usa.canon.com/largeformatmedia) for the latest media information.

## RECOMMENDED FOR YOU!

### Graphic Arts Media Compatible with Our 60-inch imagePROGRAF

#### Scrim Banner Vinyl 460gsm – 24" x 60'

Price: \$140.70  
SKU: 1290V133

Scrim Banner Vinyl is a high-tensile strength banner with a block-out layer to prevent shine-through. It consists of a polyester fabric that is embedded between two scrim vinyl layers, making it less susceptible to tearing. Ideal for event signage in art galleries, museums, supermarkets and service stations.

or visit [shop.usa.canon.com](http://shop.usa.canon.com)

#### Peel & Stick Repositionable Media 260gsm – 24" x 100'

Price: \$257.40  
SKU: 2939V450

Peel & Stick Repositionable Media is a white, self-adhesive terylene fabric that produces superb image quality while making cutting and placement easy. A repositionable, sticky backing allows the media to be removed and repositioned. Ideal for wall graphics and window displays.
