

1.	Create an entry for a front door		
2.	Create a new entry		<p>You will now create the entry for the products the couple chose. Click on the "New" button.</p> 
3.	Create a new entry		<p>In this dialog box, you have to select a client. You can look through the client list or enter the client's name in the "Search" text field. If the client is not on the list, you have to add them. Charles and Olivia are new clients. You will therefore have to add them. Click on the "Add +" button (in green), located to the right of the search field.</p> 
4.	Create a new entry		<p>In the "Add New Client" dialog box, you have to fill in the red and blue fields. We have entered the information for you. Click on the "Save" button.</p> 
5.	Select an item		<p>A new entry under Charles and Olivia is created. Now add an item to this by clicking on the "Add +" button (in green).</p> <p>You are now ready to start the entry for the front door chosen by Charles and Olivia.</p> <p>Charles and Olivia have chosen a black steel double door with an aluminum coated frame for their front door.</p>
