

Copy edit a campus news story – MCOM 2100

Every sentence has an error. These include missing or misplaced punctuation, misspelling, capitalization errors, AP style errors and direct quotation errors. Never turn an indirect quotation into a direct quotation. A final quotation mark may be missing, however. For grading purposes, an error that is repeated in a sentence counts as one error.

Netflix, Hulu and HBO Go seem to be everywhere, but can you get them at school?

Res Life Cinema is one of ETSU's best kept secrets. Students can use it to stream the newest blockbuster films and their favorite television show right on their laptops.

These are the same movies that Buctainment shows on Friday nights in the Culp Center auditorium, and that play in the lobbies of resident halls.

"Residence Life Cinema, both the cable channel and streaming, are paid by the Department of Housing, which is an auxiliary service funded entirely by students who live on campus," said Renée Couch, Associate Director for Residence Life.

Comedies, dramas, thrillers and romances are just a few of the genres that Res Life Cinema has to offer. The site offers movie classics like *Scarface*, *Top Gun* and *When Harry Met Sally*. They also offer new movies like *The Edge of Seventeen*, *Lights Out* and *The Shallows*, along with popular movie franchises such as *Harry Potter*, *Lord of the Rings*, *Hobbit* and *Back to the Future*.

"Most of the time, a committee from the Residence Hall Association selects the movies to be shown and available, but if the committee is not available, we let Swank, the supplier, select the most popular ones," Couch said.

Swank Motion Pictures is a privately-owned company that licenses and distributes content to non-theatrical markets. Swank is partnered with studios such as Paramount, Warner Brothers, Walt Disney and Lionsgate.

Swank offer their services to college campuses, cruise ships and museums.

In order to access Res Life Cinema, a student must be logged on to ETSU Wi-Fi.

"I do not know exactly how the system is set up to allow viewing only from the ETSU Wi-Fi, but the reason is that it's provided for students who live on campus," Couch said.

To stream Res Life Cinema, go to the ETSU Residence and Housing Website. The link will be on the right-hand sign under Res Life Cinema Schedule. Make sure you're logged on to ETSU's Wi-Fi.
