Who are we?

Congregation Beth El was founded in 1982 by a group of Jewish families in Fort Bend County who wanted to worship close to home.

Congregation Beth El's mission is to build a community where Judaism enriches and uplifts our lives with understanding, warmth, friendship and meaning.

The background of the entire image is a flat-lay photograph of various fruits and leaves. It includes a halved apple at the top left, a pomegranate cluster in the middle left, several apple slices in the center, and another pomegranate cluster at the bottom. Scattered around these are several green leaves and individual pomegranate seeds. The overall theme is fresh, natural, and celebratory, representing the traditional 'Magen' (crowning) of Rosh Hashana.

ROSH HASHANA

On Rosh Hashanah, we renew the crowning of God as sovereign of time and space and renew our relationship with Him with celebration and blasts of the shofar!

The Jewish New Year is a time to begin introspection, looking back at the mistakes of the past year and planning the changes to make in the new year, together.
